1st AHPICON NE II

2025

A ONE-DAY CONCLAVE ON
Impact of Climate Change on Human Health
15th Feb 2025 | City Convention Centre, Imphal East

About the Conclave

The **1st AHPICON NE II 2025** aims to shed light on the critical and growing issue of ***climate change and its profound impact on human health***.

With climate change threatening health through increased heat-related illnesses, respiratory issues, vector-borne diseases, and mental health challenges, this event serves as a platform for healthcare professionals, policymakers, and environmental experts to come together, raise awareness, and discuss actionable strategies. The mission is to create a resilient healthcare ecosystem that can adapt to environmental challenges, ensuring health and well-being for future generations in the North-East and beyond.

Co-organizers of **AHPICON NE II 2025**

Department of Environment & Climate Change, Government of Manipur
National Health Mission

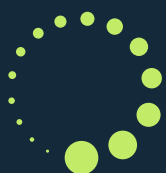

National One Health Programme for Prevention and Control of Zoonoses - NCDC

Indian Medical Association (IMA) MSB

Health and Environment Leadership Platform (HELP)

Association of Healthcare Providers (India) - AHPI

Consortium of Accredited Healthcare Organizations (CAHO)

Valedictory and Closing Remarks

Manipur, a northeastern state of India, is famed for its lush landscapes, including Loktak Lake with floating islands, and a rich cultural heritage. Its capital, Imphal, features historic sites like Kangla Fort and the all-women's Ima Keithel market. Known for vibrant festivals, traditional Manipuri dance, and diverse tribes, Manipur uniquely blends natural beauty with cultural richness.
